

Dr. Swanand Malode

Phone: +91- 95756 95786

E-mail: swanandmalode@hotmail.com

Location: C- 703, VIDYA, SANKALP SAHNIVAS CHS, NNP, GOREGAON EAST,
Mumbai - 400 097, Maharashtra, India.

Research Interest

Nano-Medicine: Nano-structured biomaterials, Nanotechnology platforms for drug delivery and therapeutics, Nano surfactants, Cancer Nanotechnology, Liposome and Lipid self assembled nanostructures.

Academic Background

- M Pharma, Pharmacognosy, HS Gaur University.
- PGDM, International Business, IIM-Bangalore.
- Ph.D. Nano-Biotechnology, The Johns Hopkins University.
- Post Doc, Nano Materials, Massachusetts Institute of Technology.

Professional Experience

- Project Associate, Nano Medicine, The USDoD, 1998 – 2010.
- Consultant for Food, Pharma, Cosmetics, Agriculture & Nutraceutical, 2010 - till date.
- Manufacturing of Phospholipids on commercial level.
- Manufacturing of Various Liposomes on commercial level.
- Manufacturing of Nano-Materials, Nano Coatings on commercial level.
- Manufacturing of Conducting Polymers on commercial level.
- Manufacturing of Oligopeptide, Dipeptide, Tripeptide, Tetrapeptide and developing Neuropeptide & Peptide hormone.

Companies Developed

X-Lab, The Lipid Company, Lipozoma, SCS, G-nomexplor

Teaching Interest

Introduction to NanoBionanotechnology, NanoBiomaterials and Advanced NanoBiomaterials.

Awards, Achievements & Memberships

- In the list of first few scientists, who commercially availed Nano particles.
- Felicitation Award, Society for Cancer Research & Communication
- Life Member, National Association of Sciencepreneuers
- Life Member, ISCC
- Peer Reviewer, Nanobiotechnology, Computational and Structural Biotechnology
- Peer Reviewer, NanoBiomaterials and NanoBiodevices
- Member, Trends in NanoBiomaterials and Organs on chips
- Advisor, NanoTrends
- Member, International Journal of Life Sciences & Pharmaceutical Research

Publications & Papers is classified by The USDoD and The MoD, India.
