2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – MR BRETT FRASER

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Brett Fraser, having been appointed by other Directors on 21 February 2020 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

3.2 Qualifications and other material directorships

Mr Fraser is an experienced ASX company director and has worked in the finance and securities industry for over 30 years. He has started, managed, owned and operated businesses across wine, health, finance, media, brewing, tourism, and mining. For many years, Mr Fraser has been a consultant to companies on sell side transactions, business acquisitions, business strategy and restructuring, initial public offerings, capital raisings and corporate governance. He is a Fellow of CPA Australia, Financial Services Institute of Australasia and Governance Institute of Australia, and holds a Bachelor of Business (Accounting) and Graduate Diploma in Finance from the Securities Institute of Australia.

Mr Fraser is currently a director of Sundance Resources Limited and a former director of Aura Energy Limited, Drake Resources Limited, Doray Minerals Limited, Blina Minerals NL, Brainytoys Limited, Empire Resources Limited and Gage Roads Brewing Co Limited.

3.3 Independence

Mr Fraser has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

If elected the Board considers Mr Fraser will be an independent Director.

3.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and

bankruptcy history. The Company undertook such checks prior to the appointment of Mr Fraser.

3.5 Board recommendation

The Board has reviewed Mr Fraser's performance since his appointment to the Board and considers that Mr Fraser's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Mr Fraser and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR CHAN HENG FAI

4.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Chan Heng Fai, who has served as a Director since 1 July 2013 and was last re-elected on 31 May 2018, retires by rotation and seeks re-election.

4.2 Qualifications and other material directorships

Mr Chan has restructured over 35 companies in different industries and countries in the past 40 years. In 1987, Mr Chan acquired American Pacific Bank, a full-service U.S. commercial bank, out of bankruptcy. He recapitalised, refocused and grew the bank's operations. Under his guidance, American Pacific Bank became a US NASDAQ high asset quality bank, with zero loan losses for over five consecutive years before it was ultimately bought and merged into Riverview Bancorp Inc.

Prior to its merger with Riverview Bancorp Inc., in June 2004, American Pacific Bank was ranked 13 by the Seattle Times "Annual Northwest's Top 100 Public Companies" for the year 2003, and ranked 6 in the Oregon state [for the 2003 year], which ranked ahead of names such as Nike, Microsoft, Costco, AT&T Wireless and Amazon.com. In 1997, Mr Chan acquired and ran a regional investment banking and securities broking and dealing business headquartered in Denver, with 12 offices throughout USA.

4.3 Independence

If re-elected the Board considers Mr Chan will be an independent Director.

4.4 Board recommendation

The Board has reviewed Mr Chan's performance since his appointment to the Board and considers that Mr Chan's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Chan and recommends that Shareholders vote in favour of Resolution 3.

5. BACKGROUND TO RESOLUTIONS 4 TO 8 – CONTROLLED PLACEMENT AGREEMENT

5.1 Background

As announced on 7 February 2018, the Company entered into a Controlled Placement Agreement (**Controlled Placement Agreement**) with Acuity Capital Investment Management Pty Ltd as trustee for the Acuity Capital Holdings Trust

(Acuity Capital) under which the Company has the discretion to access up to \$10 million by issuing Shares to Acuity Capital (or its nominee). The Controlled Placement Agreement was terminated on 20 April 2020.

The Controlled Placement Agreement provided the Company with the discretion to raise up to \$10 million without any restriction or conditions on strategic partnerships, joint ventures, acquisitions of any assets or on the timing, nature or amount of any other equity or debt funding mechanisms. There was no obligation on the Company to utilise the facility under the Controlled Placement Agreement **(CPA Facility)** and no penalty or fees associated if the Company elected not to utilise or cancel the CPA Facility.

Importantly, the Company retained full control of all aspects of the placement process, having sole discretion as to whether or not to utilise the CPA Facility, the quantum of issued Shares, the minimum issue price of Shares and the timing of each placement tranche (if any).

The material terms of the Controlled Placement Agreement are set out in the table below.

Issue Price	The issue price of Shares under the Controlled Placement Agreement was calculated as the greater of the floor price (set by the Company in its sole discretion) and a 10% discount to a volume weighted average price over a valuation period determined by the Company.
Transaction Fee	On execution of the Controlled Placement Agreement, the Company paid Acuity Capital a set-up fee of \$30,000 (exclusive of GST).
Collateral Shares	As collateral for the CPA Facility, the Company issued 12,000,000 Shares from its LR7.1 capacity, comprising 6,500,000 Shares which were issued on 7 February 2018 and 5,500,000 Shares which were issued on 11 February 2020 (Collateral Shares) . The Collateral Shares were issued at nil consideration to Acuity Capital. Prior to the termination of the Controlled Placement Agreement on 20 April 2020, the Company raised \$2,200,000 under the CPA Facility (April Placement) . The Company elected to set-off the Collateral Shares against its obligation to issue 12,000,000 Shares to Acuity Capital in respect of the April Placement (April Placement Shares) . Accordingly, the Company did not issue any new Shares to Acuity Capital in respect of the April Placement.

Further details of the Controlled Placement Agreement are set out in the ASX announcements released on 7 February 2018, 11 February 2020, 4 March 2020 and 21 April 2020.

As at the date of this Notice, the Company has raised \$6,527,335 under the Controlled Placement Agreement and issued 41,510,000 Shares.

Pursuant to this Notice of Meeting, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of an aggregate of 35,010,000 Shares to Acuity Capital, comprising the issue of:

- (a) 385,000 Shares, which were issued under the Company's placement capacity pursuant to Listing Rule 7.1 on 14 January 2020 (Resolution 4);

- (b) 10,625,000 Shares, which were issued under the Company's placement capacity pursuant to Listing Rule 7.1 on 4 March 2020 (Resolution 5);
- (c) 5,500,000 Shares, which were issued under the Company's placement capacity pursuant to Listing Rule 7.1 on 11 February 2020 (Resolution 6); and
- (d) 6,500,000 Shares, which were issued under the Company's placement capacity pursuant to Listing Rule 7.1A on 11 February 2020 (Resolution 7); and
- (e) 12,000,000 Shares, which were issued under the Company's placement capacity pursuant to Listing Rule 7.1A on 19 February 2020 (Resolution 8).

6. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF SHARES – CONTROLLED PLACEMENT AGREEMENT

As set out in Section 5 above, the Company is seeking Shareholder ratification pursuant to Resolution 4 for the issue of 385,000 Shares to Acuity Capital (**Tranche A Shares**). The Tranche A Shares were issued on 14 January 2020 at an issue price of \$0.071 per Share to raise \$27,335.

6.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 20 being passed at this Meeting.

Listing Rule 7.2 sets out the exceptions to which Listing Rules 7.1 and 7.1A do not apply.

The issue of the Tranche A Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Tranche A Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Tranche A Shares.

Resolution 4 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Tranche A Shares.

6.2 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the Tranche A Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue with Shareholder approval over the 12 month period following the date of issue of the Tranche A Shares.

If Resolution 4 is not passed, the Tranche A Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Tranche A Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 20 being passed at this Meeting.

6.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 4:

- (a) the Tranche A Shares were issued to Acuity Capital, who is not a related party of the Company;
- (b) 385,000 Tranche A Shares were issued and the Tranche A Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (c) the Tranche A Shares were issued on 14 January 2020;
- (d) the issue price of the Tranche A Shares was \$0.071 per Share. The Company has not and will not receive any other consideration for the issue of the Tranche A Shares;
- (e) the purpose of the issue of the Tranche A Shares was to raise \$27,355 pursuant to the Controlled Placement Agreement, which has been applied towards the acceleration of the global roll-out of Natshield™ range of products as well as other business segments, working capital requirements and payments (including within the collagen and supplement businesses), intercompany loans and collagen staff payroll;
- (f) the Tranche A Shares were issued to Acuity Capital under the Controlled Placement Agreement. A summary of the material terms of the Controlled Placement Agreement is set out in Section 5; and
- (g) a voting exclusion statement is included in Resolution 4 of the Notice.

7. RESOLUTION 5 – RATIFICATION OF PRIOR ISSUE OF SHARES – CONTROLLED PLACEMENT AGREEMENT

As set out in Section 5 above, the Company is seeking Shareholder ratification pursuant to Resolution 5 for the issue of 10,625,000 Shares to Acuity Capital (**Tranche B Shares**). The Tranche B Shares were issued on 4 March 2020 at an issue price of \$0.16 per Share to raise \$1,700,000.

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 21 being passed at this Meeting.

The issue of the Tranche B Shares does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Tranche B Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Tranche B Shares.

Resolution 5 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Tranche B Shares.

7.2 Technical information required by Listing Rule 14.1A

If Resolution 5 is passed, the Tranche B Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue with Shareholder approval over the 12 month period following the date of issue of the Tranche B Shares.

If Resolution 5 is not passed, the Tranche B Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Tranche B Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 21 being passed at this Meeting.

7.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 5:

- (a) the Tranche B Shares were issued to Acuity Capital, who is not a related party of the Company;
- (b) 10,625,000 Tranche B Shares were issued and the Tranche B Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (c) the Tranche B Shares were issued on 4 March 2020;
- (d) the issue price of the Tranche B Shares was \$0.16 per Share. The Company has not and will not receive any other consideration for the issue of the Tranche B Shares;
- (e) the purpose of the issue of the Tranche B Shares was to raise \$1,700,000 pursuant to the Controlled Placement Agreement, which has been applied towards the acceleration of the global roll-out of Natshield™ range of products as well as other business segments, working capital requirements and payments (including within the collagen and supplement businesses), intercompany loans and collagen staff payroll;
- (f) the Tranche B Shares were issued to Acuity Capital under the Controlled Placement Agreement. A summary of the material terms of the Controlled Placement Agreement is set out in Section 5; and
- (g) a voting exclusion statement is included in Resolution 5 of the Notice.

8. RESOLUTION 6 – RATIFICATION OF PRIOR ISSUE OF SHARES – CONTROLLED PLACEMENT AGREEMENT

8.1 General

As set out in Section 5 above, the Company is seeking Shareholder ratification pursuant to Resolution 6 for the issue of 5,500,000 Shares to Acuity Capital on 11 February 2020 (**Collateral Shares**).

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 21 being passed at this Meeting.

The issue of the Collateral Shares does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Collateral Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not

reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Collateral Shares.

Resolution 6 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Collateral Shares.

8.2 Technical information required by Listing Rule 14.1A

If Resolution 6 is passed, the Collateral Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue with Shareholder approval over the 12 month period following the date of issue of the Collateral Shares.

If Resolution 6 is not passed, the Collateral Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Collateral Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 21 being passed at this Meeting.

8.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 6:

- (a) the Collateral Shares were issued to Acuity Capital, who is not a related party of the Company;
- (b) 5,500,000 Collateral Shares were issued and the Collateral Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (c) the Collateral Shares were issued on 11 February 2020;
- (d) the Collateral Shares were issued at a nil issue price under the Controlled Purchase Agreement;
- (e) the purpose of the issue of the Collateral Shares was to satisfy the Company's obligations under the Controlled Purchase Agreement;
- (f) as noted in Section 5 above, the Company elected to set-off the Collateral Shares against its obligation to issue the April Placement Shares (which were issuable at \$0.1833 per Share). The funds raised under the April Placement, being \$2,200,000 has been applied towards the acceleration of the global roll-out of Natshield™ range of products as well as other business segments, working capital requirements and payments (including within the collagen and supplement businesses), intercompany loans and collagen staff payroll;

- (g) the Collateral Shares were issued to Acuity Capital under the Controlled Purchase Agreement. A summary of the material terms of the Controlled Purchase Agreement is set out in Section 5; and
- (h) a voting exclusion statement is included in Resolution 6 of the Notice.

9. RESOLUTION 7 – RATIFICATION OF PRIOR ISSUE OF SHARES – CONTROLLED PLACEMENT AGREEMENT

9.1 General

As set out in Section 5 above, the Company is seeking Shareholder ratification pursuant to Resolution 7 for the issue of 6,500,000 Shares to Acuity Capital (**Tranche C Shares**). The Tranche C Shares were issued on 11 February 2020 at an issue price of \$0.123 per Share to raise \$800,000.

The Tranche C Shares were issued pursuant to the Company's capacity under Listing Rule 7.1A which was approved by Shareholders at the annual general meeting held on 30 May 2019.

9.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 21 being passed by the requisite majority at this Meeting.

The issue of the Tranche C Shares does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Tranche C Shares.

9.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Tranche C Shares.

Resolution 7 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Tranche C Shares.

9.4 Technical information required by Listing Rule 14.1A

If Resolution 7 is passed, Tranche C Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue with Shareholder approval over the 12 month period following the date of issue of the Tranche C Shares.

If Resolution 7 is not passed, the Tranche C Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Tranche C Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 21 being passed at this Meeting.

9.5 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 7:

- (a) the Tranche C Shares were issued to Acuity Capital, who are not a related party of the Company;
- (b) 6,500,000 Tranche C Shares were issued and the Tranche C Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;

10. RESOLUTION 8 – RATIFICATION OF PRIOR ISSUE OF SHARES – LISTING RULE 7.1A

10.1 General

As set out in Section 5 above, the Company is seeking Shareholder ratification pursuant to Resolution 8 for the issue of 12,000,000 Shares to Acuity Capital (**Tranche D Shares**). The Tranche D Shares were issued on 19 February 2020 at an issue price of \$0.15 per Share to raise \$1,800,000.

The Tranche D Shares were issued pursuant to the Company's capacity under Listing Rule 7.1A which was approved by Shareholders at the annual general meeting held on 30 May 2019.

10.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 21 being passed by the requisite majority at this Meeting.

The issue of the Tranche D Shares does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Tranche D Shares.

10.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Tranche D Shares.

Resolution 8 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Tranche D Shares.

10.4 Technical information required by Listing Rule 14.1A

If Resolution 8 is passed, the Tranche D Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue with Shareholder approval over the 12 month period following the date of issue of the Tranche D Shares.

If Resolution 8 is not passed, the Tranche D Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Tranche D Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 21 being passed at this Meeting.

10.5 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 8:

- (a) the Tranche D Shares were issued to Acuity Capital, who are not a related party of the Company;

11. RESOLUTION 9 – ISSUE OF OPTIONS TO RELATED PARTY – MR DANIEL O'CONNOR

11.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue 3,500,000 Options (**Related Party Options**) to Mr Daniel O'Connor (or his nominee) on the terms and conditions set out below.

Resolution 9 seeks Shareholder approval for the issue of the Related Party Options to Mr O'Connor (or his nominee).

11.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Related Party Options to Mr O'Connor (or their nominee) constitutes giving a financial benefit and Mr O'Connor is a related party of the Company by virtue of Mr O'Connor.

The Directors (other than Mr O'Connor who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of Related Party Options because the agreement to issue the Related Party Options, reached as part of the remuneration package for Mr O'Connor, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

11.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3;
or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of the Related Party Options falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 9 seeks the required Shareholder approval for the issue of the Related Party Options under and for the purposes of Listing Rule 10.11.

11.4 Technical information required by Listing Rule 14.1A

If Resolution 9 is passed, the Company will be able to proceed with the issue of the Related Party Options to Mr O'Connor within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Related Party Options (because approval is being obtained under Listing Rule 10.11), the issue of the Related Party Options will not use up any of the Company's 15% annual placement capacity.

If Resolution 9 is not passed, the Company will not be able to proceed with the issue of the Options. In these circumstances, the Company may need to consider renegotiating Mr O'Connor's remuneration package.

11.5 Technical information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolution 9:

- (a) the Related Party Options will be issued to Mr O'Connor (or his nominee), who falls within the category set out in Listing Rule 10.11.1 as Mr O'Connor is a related party of the Company by virtue of being a Director;
- (b) the maximum number of Related Party Options to be issued is 3,500,000;
- (c) the terms and conditions of the Related Party Options are set out in Schedule 1;
- (d) the Options will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Options will occur on the same date;
- (e) the issue price of the Options will be nil. The Company will not receive any other consideration in respect of the issue of the Options (other than in respect of funds received on exercise of the Options);
- (f) the purpose of the issue of the Options is to provide a performance linked incentive component in the remuneration package for Mr O'Connor to motivate and reward their performance as a Director and to provide cost effective remuneration to Mr O'Connor, enabling the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr O'Connor;
- (g) the current total remuneration package for Mr O'Connor is \$54,688 comprising of directors' fees. If the Related Party Options are issued, the total remuneration package of Mr O'Connor will increase by \$44,327 to \$99,015, being the value of the Related Party Options (based on the Black Scholes methodology);
- (h) the Related Party Options are not being issued under an agreement; and
- (i) a voting exclusion statement is included in Resolution 9 of the Notice.

Resolution 18 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the PIN Options.

20.3 Technical information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 18:

- (a) the PIN Options will be issued to Mr Tan Kok Pin, who is not a related party of the Company;
- (b) the maximum number of PIN Options to be issued is 1,000,000. The terms and conditions of the PIN Options are set out in Schedule 1;
- (c) the PIN Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the PIN Options will occur on the same date;
- (d) the PIN Options will be issued for nil cash consideration at a deemed issue price of \$0.0134 in consideration for advisory services provided by him;
- (e) the purpose of the issue of the PIN Options is to appropriately reward Mr Pin in his role as advisor to the Company's China business, which includes sourcing of business partners for the Company's low Glycaemic Index and sugarless products. Mr Pin has also assisted the Company in past capital raisings, bank loan sourcing and successfully securing customers for low Glycaemic index food and sugarless ingredients in Malaysia. Mr Pin is also assisting with the Company's possible entry into the Personal Protective Equipment (PPE) market;
- (f) the PIN Options are not being issued under an agreement. The services were provided without an agreement;
- (g) the PIN Options are not being issued under, or to fund, a reverse takeover; and
- (h) a voting exclusion statement is included in Resolution 18 of the Notice.

21. RESOLUTION 19 – ADOPTION OF PERFORMANCE RIGHTS AND OPTIONS PLAN

21.1 General

Resolution 19 seeks Shareholder approval for the adoption of the employee incentive scheme titled "Performance Rights and Options Plan" (**Plan**) and for the issue of Performance Rights and Options under the Plan in accordance with Listing Rule 7.2 (Exception 13(b)).

The objective of the Plan is to attract, motivate and retain key employees and the Company considers that the adoption of the Plan and the future issue of Performance Rights or Options under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

As summarised in Section 6.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders

over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 19 is passed, the Company will be able to issue Performance Rights and Options under the Plan to eligible participants over a period of 3 years. The issue of any Performance Rights or Options to eligible participants under the Plan (up to the maximum number of Securities stated in Section 21.2(c) below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Performance Rights or Options under the Plan to a related party or a person whose relationship with the company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 19 is not passed, the Company will be able to proceed with the issue of Performance Rights and Options under the Plan to eligible participants, but any issues of Performance Rights or Options will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Performance Rights or Options.

21.2 Technical information required by Listing Rule 7.2 (Exception 13)

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 19:

- (a) a summary of the key terms and conditions of the Plan is set out in Schedule 2;
- (b) the Company adopted a performance rights plan on 9 January 2017 (**Previous Plan**). The Company has previously issued 6,300,000 Performance Rights under the Previous Plan;
- (c) the maximum number of Securities proposed to be issued under the Plan, following Shareholder approval, is 25,000,000 Securities. It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately; and
- (d) a voting exclusion statement is included in Resolution 19 of this Notice.

22. RESOLUTION 20 – REPLACEMENT OF CONSTITUTION

22.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of shareholders.

Resolution 19 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and Listing Rules.

This will incorporate amendments to the Corporations Act and Listing Rules since the current Constitution was adopted in 2005.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- (a) updating the name of the Company to that adopted in 2009;
- (b) updating references to bodies or legislation which have been renamed (e.g. references to the Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer); and
- (c) expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website <https://www.holistaco.com/> and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 6141 3500). Shareholders are invited to contact the Company if they have any queries or concerns.

22.2 Summary of material proposed changes

(a) **Restricted Securities (clause 2.12)**

The Proposed Constitution complies with the recent changes to Listing Rule 15.12 which took effect from 1 December 2019. As a result of these changes, ASX will require certain more significant holders of restricted securities and their controllers (such as related parties, promoters, substantial holders, service providers and their associates) to execute a formal escrow agreement in the form Appendix 9A, as is currently the case. However, for less significant holdings (such as non-related parties and non-promoters), ASX will permit the Company to issue restriction notices to holders of restricted securities in the form of the new Appendix 9C advising them of the restriction rather than requiring signed restriction agreements.

(b) **Minimum Shareholding (clause 3)**

Clause 3 of the Constitution outlines how the Company can manage shareholdings which represent an “unmarketable parcel” of shares, being a shareholding that is less than \$500 based on the closing price of the Company’s Shares on ASX as at the relevant time.

The Proposed Constitution is in line with the requirements for dealing with “unmarketable parcels” outlined in the Corporations Act such that where the Company elects to undertake a sale of unmarketable parcels, the Company is only required to give one notice to holders of an unmarketable parcel to elect to retain their shareholding before the unmarketable parcel can be dealt with by the Company, saving time and administrative costs incurred by otherwise having to send out additional notices.

Clause 3 of the Proposed Constitution continues to outline in detail the process that the Company must follow for dealing with unmarketable parcels.

(c) **Fee for registration of off market transfers (clause 8.4(c))**

On 24 January 2011, ASX amended Listing Rule 8.14 with the effect that the Company may now charge a “reasonable fee” for registering paper-based transfers, sometimes referred to “off-market transfers”.

Clause 8.4 of the Proposed Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders. The fee is intended to represent the cost incurred by the Company in upgrading its fraud detection practices specific to off-market transfers.

Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.

(d) **Direct Voting (clause 13, specifically clauses 13.35 – 13.40)**

The Proposed Constitution includes a new provision which allows Shareholders to exercise their voting rights through direct voting (in addition to exercising their existing rights to appoint a proxy). Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, Directors must elect that votes can be cast via direct vote for all or any resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the Directors, the notice of meeting will include information on the application of direct voting.

(e) **Dividends (clause 22)**

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not a pay a dividend unless:

- (i) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- (ii) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
- (iii) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

(f) **Partial (proportional) takeover provisions (new clause 36)**

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These

amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (i) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (ii) assisting in preventing Shareholders from being locked in as a minority;
- (iii) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (iv) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (i) proportional takeover bids may be discouraged;
- (ii) lost opportunity to sell a portion of their Shares at a premium; and
- (iii) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 19.

23. RESOLUTION 21 – APPROVAL OF 7.1A MANDATE

23.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes as it has a market capitalisation of approximately \$46,809,344.79, based on the number of shares on issue and closing price of \$0.170 as at 13 May 2020.

Resolution 21 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 21 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 21 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

23.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 21:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expiring on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class,

calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 23.2(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to apply funds raised from issues of Equity Securities under the 7.1A Mandate towards product development costs and research and development costs, and general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 21 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 13 May 2020.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Dilution			
		Shares issued – 10% voting dilution	Issue Price		
			\$0.085	\$0.170	\$0.26
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	275,349,087 Shares	27,534,908 Shares	\$2,340,467	\$4,680,934	\$7,021,401
50% increase	413,023,631 Shares	41,302,363 Shares	\$3,510,700	\$7,021,401	\$10,532,102
100% increase	550,698,174 Shares	55,069,817 Shares	\$4,680,934	\$9,361,868	\$14,042,803

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 275,349,087 Shares on issue as at the date of this Notice of Meeting.
2. The issue price set out above is the closing market price of the Shares on the ASX on 13 May 2020.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders, existing investors or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and

(vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 30 May 2019 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 31 July 2019, the Company issued 18,500,000 Shares pursuant to the Previous Approval, which represents approximately 6.98% of the total diluted number of Equity Securities on issue in the Company on 31 July 2019, which was 265,039,087.

Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12 month period preceding the date of the Meeting are set out in Schedule 3.

23.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
