

INTRODUCING COSTANZO'S LOW GLYCEMIC WHITE ROLL

A Good Carb Collaboration

Costanzo's
BAKERY

Holista®

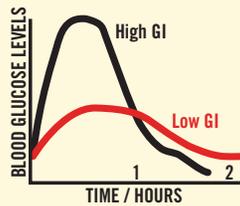

Be part of the Low GI revolution with the NEW Costanzo's Low Glycemic White Roll.

Times have certainly changed since 1933, but our unwavering commitment to quality and innovation manifests itself as a plant-based, better for you roll option now!

These rolls combine our family tradition of baking quality products, with a blend of Superfoods (that provide sustained energy during the day after eating) to make a great tasting, better-for-you white roll.

Why Low GI Products?

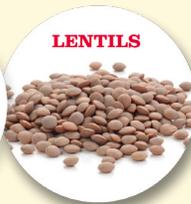

Low Glycemic products provide the body with a slower release of energy to maintain healthy glucose levels.

- Verified Low Glycemic Index
- Provides sustained energy
- Slowly digested carbs
- Stay fuller longer
- Made with Superfoods:

FENUGREEK

LENTILS

OKRA

Now better-for-you options can be served on a white roll

We want to work with your team. Call or email us now for samples.
